**OUTLINE**  
**11.26.23**

- Matthew 28:16-20

1. This is called the **Great Commission** which is an authoritative \_\_\_\_\_ or **directive** that must be followed.
2. The **great commission** is by itself sufficient as \_\_\_\_\_ for us to Go and be faithful to the mission that God has entrusted us with.
3. Jesus will point to three things in His commission to all believers: His \_\_\_\_\_. His **Assignment**. His **Assurance**.
4. Unfortunately, in the modern-day church, this is called the great \_\_\_\_\_.
5. Did you know that less than \_\_\_\_% of Christians will ever share the gospel with someone?

**POINT 1-** The Great Commission is a serious command from Jesus to **all believers**, motivating them to \_\_\_\_\_ the Gospel with others.

**Reflection for this week**

Who can I share the gospel with?

Should I go on a mission trip or help someone to go?

How many churches will I commit to planting in 2024?
